In addition to these Terms of Service, the AUP, and the terms of Your service agreement, Your use of any Microsoft software is governed by Microsoft's license terms that appear at [www.gogreencloud.com/policies](http://www.gogreencloud.com/policies).

If You make use of Microsoft software on the Services that is not relicensed to You by Green Cloud under its Microsoft Service Provider License Agreement ("SPLA"), then You represent and warrant that You have a written license agreement permitting You to use the Microsoft software in conjunction with the Services. You agree that Green Cloud can provide Microsoft with (a) the number of Windows Virtual Machine instances provided to You by Green Cloud (b) a list of the Microsoft software products which run in such Windows Virtual Machine instances that are licensed to You by Green Cloud and (c) all copies of Your validated Mobility Verification Forms.
